As this year marks the 50th Anniversary of the festival, we would especially love to see strong community participation in this event and encourage businesses to join in celebrating this exciting milestone year!

Business Judging will take place July 16th - 18th through both a public poll on the Billy Barker Days Society Facebook page and public judging sheets available at participating businesses. A member of the office staff will visit entered businesses on Wednesday, July 15th before voting opens to ensure a visual of your entry is attached to the online poll as well as drop off judging sheets at participating locations. Printed judging sheets, featuring all participating businesses, will be available for the public to pick up at participating locations throughout the festival. Community members are encouraged to enjoy a walk through the businesses while taking in the festival atmosphere, cast their votes on the judging sheets, and return completed sheets to the Billy Barker Days office. The results from the printed judging sheets and the online Facebook poll will be combined to determine the official winner. Entrants will be judged on originality, how well they adhere to the 1800's theme, and how ingeniously they use their resources. Reach out to our office if you need contact information for a local window painter.
